Gr. 3 – 8 AIS & SE	Phonics Inventory

I would be remiss if I did not mention that the tremendous success and accomplishments of our students and programs are the result of the dedicated, talented and passionate staff we have in our district. As I walk through the classrooms and the hallways of our schools, I am so proud of the accomplishments and achievements made by our students. While new programs are wonderful to have, nothing can take the place of a dedicated teacher or an involved parent.

The Office of Curriculum & Instruction will continue working diligently in concert with Administrators, Faculty and Staff throughout the year to ensure academic success for our students

Respectfully,

Ms. Jessica lafrate
