Connect to District WiFi using Android 🤖

1. Tap the WiFi icon on your phone

Tue, Jul 20   ⏰ 📶◿ 🔋 1 day, 3 hr
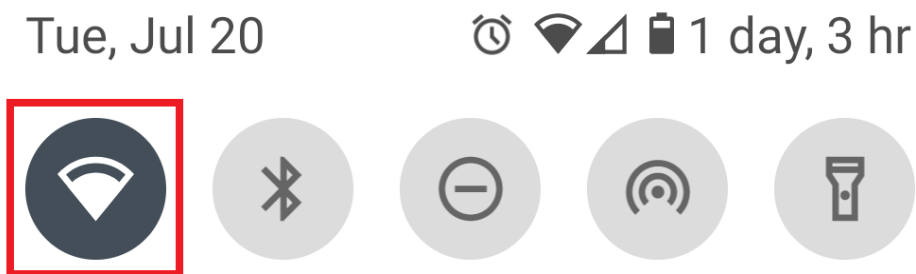

2. Select "CISD-Wifi" from the list

Use Wi-Fi

📶 CISD-WiFi   ⚙️
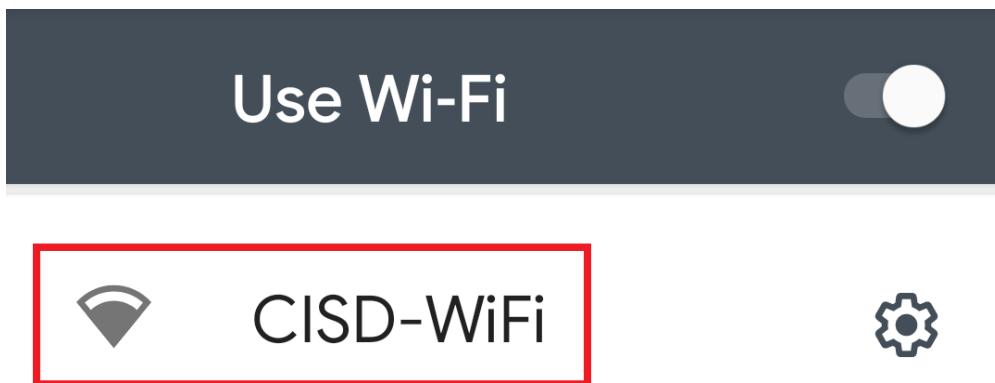

3. You will now be prompted with a login screen. Enter your domain credentials (First initial, last name for the "Username") Then click the *Login* button.

4. After entering your credentials, you will see a *Login Successful* screen. You are now connected to the District WiFi.
